

# ALPHA WOLF

## “FLAWLESS FOURTEEN”

### EXTERIOR FEATURES

FEATURE	BENEFIT
<b>ONE PIECE FIBERGLASS, GEL-COATED FRONT CAP WITH LED STRIP LIGHTS</b>	Aesthetically pleasing. Increases structural integrity and product longevity. More aerodynamic and higher quality grade than conventional wrapped fiberglass fronts.
<b>WEATHER GUARD PACKAGE WITH THERMO REFLECTIVE SAFETY GLASS WINDOWS</b>	Camp cooler, camp warmer and stay longer.
<b>JUICE PACK SOLAR POWER (100W ROOF MOUNT PANEL, SERIES 27 BATTERY, BATTERY DISCONNECT AND BOX, VOLTMETER AND 30AMP SOLAR CHARGER)</b>	Allows you to spend more quality time off grid and unplugged. With sufficient sunlight, it continuously charges your battery bank powering your entire 12V electrical system including your refrigerator. Expandable up to 450W.
<b>EXTENDED “LEND-A-HAND” RAIL (MAIN ENTRY)</b>	Fantastic for all campers old and young. Yields an additional 13.5” drop over standard large handrails making climbing today's larger fold down steps an easy and safe task.
<b>SECURITY/SAFETY CAMERA SYSTEM PREP (SIDE MARKERS, REAR AND OVER MAIN ENTRY)</b>	Prepped for the Vision S side cameras, rear camera, and main entry door camera. With a few simple aftermarket purchases, you can easily have a complete traveling safety system or home security system.
<b>TUFFLEX™ PVC ROOF MEMBRANE</b>	<b>Lifetime warranty</b> , solar reflective, tear and puncture resistant, UV resistant, superior adhesion to substrate.
<b>“NIAGARA” SIZE 81 GALLON FRESH WATER TANK</b>	Extend your stay no matter where you are, unplug and never worry about running low on your most valuable resource.

## “FLAWLESS FOURTEEN”

### INTERIOR FEATURES

FEATURE	BENEFIT
<b>12V HIGH EFFICIENCY RESIDENTIAL REFRIGERATOR/FREEZER</b>	Tons of space...10 cu. Ft. Ultra quiet operation, built-in style construction, travel lock, will run approx. 19+ hours with our standard 100W Juice Pack with no other draws and 4 hours of peak solar output.
<b>ON DEMAND TANKLESS WATER HEATER</b>	All the hot water you want when you want it, easy to read digital control panel, 12V powered, specifically designed for RV use, temp adjustment from 95 to 124 degrees.
<b>LCI ONE CONTROL® SMART RV TECHNOLOGY</b>	Wireless operation of multiple light zones, awning, monitor panel and all slides. Quickly allows for campsite setup/tear down from the convenience of your smart phone.
<b>CENTRAL VAC SYSTEM</b>	With todays larger steps, sweeping out units has become difficult. No need to take a dustpan ever again. Item is centrally located and lights up when activated. Easily sweep debris from all areas in the unit and watch it disappear.
<b>OVERSIZED 15,000 BTU DUCTED AIR CONDITIONER</b>	Largest standard AC in its class to keep your family comfortable during the warmer days. Also, utilizes the Quick Cool feature for immediate relief.
<b>ZEBRA SHADES IN MAIN LIVING AREA</b>	Exclusive, industry first feature that conveniently allows the customer to control interior lighting from filtered to blackout.
<b>OXYGENICS® FURY RV SHOWER SYSTEM</b>	Google shop's #1 RV replacement shower head specifically designed for low flow rate usage. 5 spray settings, flow control lever and rubberized grip. Achieves MAX performance and pressure with today's RV limits. Special non-stick internal parts prevent clogging.
