

# V-TREC

OFF-ROAD CAMPING TRAILERS

A Berkshire Hathaway company.

Let the Good Times Roll!

The V-Trec provides a whole new dimension in camping trailers starting with the ease of towing created by our aerodynamic profiles and extending through ease of use and set up with our Patent Pending Glide-N-Lock bed system. The V-Trec boasts stunning appeal and loads of features centered around convenience and practical comfort that the most experienced camper appreciates. Heavy duty construction sets V-Trec apart. Off road package standard on all models.

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

**UVW (Unloaded Vehicle Weight)\*** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

\*Estimated Average based on standard build optional equipment.

**CCC (Cargo Carrying Capacity)\*\*** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and grey tanks to provide for more cargo capacity.

\*\*Estimated average based on standard build optional equipment.
